

An application for exclusion should be filed during the regular listing period which is normally from January 1st through January 31st of each tax year. However, it may be filed and accepted at anytime up until June 1st of the current tax year

When property is owned by two (2) or more persons and one or more of them qualify for the exclusion, each owner must apply separately for their share of the exclusion. Husband and wife are on the same application.

Social Security numbers are mandatory and will be used to establish the identification of the applicant.
